**DISCLOSURE:** None of the planners and faculty for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

## Educational Objectives

**Following this activity, participants should be able to:**

1. Demonstrate how to be an active and effective team member during a code.
2. Differentiate the most common algorithms used in ACLS.
3. Illustrate how to prepare medications commonly used in codes.
4. Evaluate safe and appropriate medication use during RSI and stroke codes.

## To Earn Credit:

1. Visit the CME Portal and Sign in: <https://sharp.cloud-cme.com/Code Blue & Stroke Pharmacy Competency>
2. Select e-Module in the top blue banner.
3. Under **Browse by** select Specialty via top navigation bar. Select **"Pharmacy"** from dropdown and click the **"Find Courses"** button.
4. Select the module then click on **Content**.
5. **Launch** the course.
6. Complete the attestation.
7. Complete the activity evaluation at the end of the attestation. (If you "X" out and miss this step, select My Account, then Evaluations & Certificates)
8. Received completion certificate via email.
9. Forward certificate to appropriate medical staff personnel

*You must complete the evaluation to earn credit and generate a certificate of completion.*

**Accreditation:** Sharp HealthCare is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

**CPE Credit:** Sharp HealthCare designates this Live Activity for a maximum of 1 contact hours (1.00 CEUs). Partial credit will not be awarded. Pharmacists can verify their credits at CPE Monitor within 30 days of completion of this activity. UAN: **0571-0000-25-017-H01-P**
