None of the planners and faculty for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

### Educational Objectives

**Following this activity, participants should be able to:**

1. Explain the benefits of advance care planning and its importance as part of delivering excellent health care.
2. Contrast appropriate use of Advance Directives vs Physician Orders for Life-Sustaining Treatment.

### To Earn Credit:

1. Visit the CME Portal and Sign in: <https://sharp.cloud-cme.com/course/courseoverview?P=0&EID=20613>
2. Select e-Module in the top blue banner.
3. Under **Browse by** select Specialty via top navigation bar. Select **"Hospice and Palliative Medicine"** from dropdown.
4. Select the module then click on **Content**
5. **Launch** and complete the course
6. Complete the attestation
7. Complete the activity evaluation at the end of the test. (If you "X" out and miss this step, select My Account, then Evaluations & Certificates)
8. Receive completion certificate via email
9. Forward certificate to appropriate medical staff personnel

***\*\*You must pass posttest and complete evaluation to earn CME credit and generate a certificate of completion***

**Accreditation:** Sharp HealthCare is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**CME Credit:** Sharp HealthCare designates this live activity for a maximum of .25 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
