None of the planners and faculty for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Educational Objectives

Following this activity, participants should be able to:

1. List components of a proper sterile admixture work area
2. Explain how to reconstitute and perform sterile admixture
3. Describe what information is required on an admixed medication label
4. Identify the expiration date and expiration time of a sterile admixture prepared outside the pharmacy in an Iso Class 5 environment

To Earn Credit:

1. Visit the CME Portal and Sign in: Link: <https://sharp.cloud-cme.com/course/courseoverview?P=0&EID=21917>
2. Select e-Module in the top blue banner.
3. Under **Browse by** select Specialty via top navigation bar. Select **"Anesthesiology"** from dropdown.
4. Select the module then click on **Content**
5. **Launch** the course
6. Complete the attestation
7. Complete the activity evaluation at the end of the attestation. (If you "X" out and miss this step, select My Account, then Evaluations & Certificates)
8. Received completion certificate via email
