Faculty Profile **2**

My Account

Browse by Specialty

Search for available accredited continuing education (ACE) based on your specialty. Search options allow for listing of courses, webinars and e-modules.

Calendar

Search for available ACE based on your specialty. Search options allow for listing of regularly scheduled series (RSS), courses, and webinars.

Courses & Webinars

Courses lists upcoming in person activities while **Webinars** lists upcoming virtual activities hosted via Teams, Zoom or another meeting platform.

e-Modules

Search for and complete available on-demand online content. Content can be viewed on tablet or mobile device with CloudCME app download.

External Resources

Search for resources that can support your professional development. This content is either informational (not accredited) or accredited by an external provider.

For Planners & Faculty

A resource page for those submitting applications or designing accredited content. Provides insight and examples related to key concepts in accredited continuing education.

Help

A resource page to help orient you to the CME Portal and its capabilities along with step-by-step how-to videos and guides.

Faculty Profile

Activity faculty utilize this page to complete their financial disclosure and upload requested information including your CV and your presentation materials.

My Account

Access your accredited continuing education (ACE) account. Includes ability to update profile, complete evaluations and view receipts, certificates and transcripts.
