

The Jim and Mary Cloud Visiting Professorship of the Laurel Amtower
Cancer Institute & Neuro-Oncology Center invites you to

Perspectives on Glioblastoma

For community neurosurgeons, radiation oncologists, oncologists, neurologists, pathologists,
primary care physicians, and interested allied health professionals.

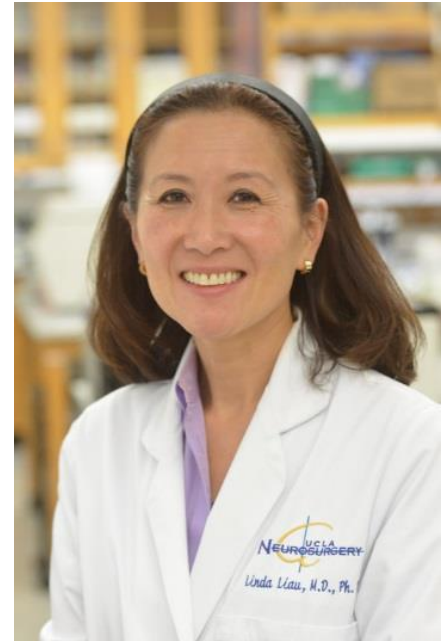

Thursday, November 19, 2020

Virtual Presentation

6 p.m. to 7:30 p.m. Lecture and Q&A

Linda M. Liau, MD, PhD, MBA

Dr. Liau is a Professor and the W. Eugene Stern Chair of the Department of
Neurosurgery at the David Geffen School of Medicine at the University of
California, Los Angeles (UCLA), and Co-Director of the UCLA Brain Tumor Center.
She is the Principal Investigator and Director of the NCI-designated UCLA Brain
Cancer SPORE (Specialized Program of Research Excellence).

Educational Objectives: Following this activity, participants should be able to:

- Describe past, current, and potential future surgical and adjuvant therapies of malignant gliomas
- Describe current scientific advances in the diagnosis and treatment of glioblastoma
- Discuss the design of effective therapies and future clinical trials for patients with brain tumors

Registration: To register, please visit <https://sharp.cloud-cme.com/brain2020>

Fee: Complimentary

Accreditation: Sharp HealthCare is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME Credit: Sharp HealthCare designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
