

Infection Prevention and ASP for Physicians and APPs*

*Surgeons should complete module specifically for them

Tips for Success

- For best results please use **Google Chrome, Internet Explorer or Microsoft Edge. Do not use Safari.**
- If you select **Launch Course** and nothing happens, turn off pop-up blockers.
- If you have difficulty with this please call the Technical Assistance Center at 858-627-5000. They are available 24/7.

Learning Objectives

1. Review strategies to decrease the acquisition of and the transmission of multi-drug resistant organisms (MDROs); hand hygiene and isolation precautions
2. Outline evidence-based strategies to decrease the risk of device-associated infections (e.g. catheter-associated bloodstream infections and catheter-associated urinary tract infections) and surgical site infections
3. Discuss the function and impact of the Antimicrobial Stewardship Program in controlling the emergence of MDROs and its close interaction with Infection Prevention

Familiar with Portal?

https://bit.ly/IP_ASP_Phys
https://bit.ly/IP_ASP_Surg

- 1 Visit CME Portal
www.sharp.com/cmeportal

***If you "X" out and miss this step**, select **My Account**, then **Evaluations & Certificates**.
- 9 Submit Certificate
Certificate should be emailed to you. Please forward to appropriate contact as needed.

The screenshot shows the SHARP CME portal interface. At the top, there's a navigation bar with links: Sign Out, Browse By Specialty, Calendar, Courses, Webinars, e-Modules, External Resources, For Planners & Faculty, About Us, Help, Faculty Profile, and My Account. Below this, there's a grid of specialty categories (All Specialties, Allergy and Immunology, Anesthesiology, Blood, Banking/Transfusion, Cardiology, Clinical Informatics, Critical Care Medicine, Dermatology, Emergency Medicine, Endocrinology, Family Medicine, Gastroenterology, Geriatrics and Gerontology, Health Care Administration/Executive, Hematology, Hospice and Palliative Medicine, Infectious Disease, Internal Medicine, Maternal and Fetal Medicine, Medical Oncology, Nephrology, Neurocritical Care, Neurology, Nuclear Medicine, Nutrition, Obstetrics and Gynecology, Occupational Medicine, Oncology, Ophthalmology, Otorhinolaryngology, Otolaryngology, Pathology, Patient Safety, Pediatrics, Pharmacology, Physical Medicine and Rehabilitation, Plastic Surgery, Podiatry, Preventive Medicine, Psychiatry, Pulmonary Medicine, Radiology, and Rheumatology). Below the grid, there's a section for 'SHC HRO Training for Physicians (Online)' with a 'First Courses' button and a 'Reset Filters' button. To the right, there's a 'My Account' section with links: Profile, Transcript, Evaluations & Certificates, and Registrations & Receipts. The interface is annotated with numbered steps 1 through 9, corresponding to the instructions in the adjacent list.
