Educational Objectives: Following this activity, participants should be able to:

1. Describe approved indications for drug use outside of FDA-approved indications
2. Assess drug cost and efficacy
3. Evaluate clinical data concerning new drugs or preparations
4. Ensure current policies and procedures regarding evaluation, appraisal, selection, procurement, storage, distribution, use and safety procedures as it relates to formulary drugs
5. Recommend revisions to organizational protocols, and institution power plans
6. Evaluate results of medication use evaluations and analytical reviews within the hospitals, including adherence to criteria

Registration is complimentary. To participate in MS Teams meeting: Contact Louise Balesteri at louise.balesteri@sharp.com to request the meeting link.

Record your participation the day of the event using Sharp CME Text *Attendance*:
