3075 Health Center Drive, San Diego, CA 92123 • (858)-939-3400

Joe DuBose, MD, RPVI, FACS, FCCM

Colonel, USAF MC

Professor of Surgery

Uniformed Services University of the Health Sciences

Director USAF Baltimore Center for the Sustainment of Trauma and
Readiness Skills

R Adams Cowley Shock Trauma Center University of Maryland Medical
System

Educational Objectives: Following this activity, participants should be able to:

1. Recognize the optimal utilization of modern diagnostic tools in the detection and characterization of vascular injury
2. Review the potential benefit and limitations of endovascular interventions in the treatment of vascular injury
3. Describe the controversies regarding blunt thoracic aortic injury management in the modern era
4. Discuss the available data regarding emergent hemorrhage control via resuscitative endovascular balloon occlusion of the aorta (AORTA) for trauma

ACCREDITATION: Sharp HealthCare is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME CREDIT: Sharp HealthCare designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE: As an organization accredited by the ACCME, Sharp HealthCare requires everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. The ACCME defines "relevant financial relationships" as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest.

Sharp HealthCare, encourages faculty to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.

Conference will be recorded
