Please follow these steps to success:

1. Visit, <https://sharp.cloud-cme.com/ChartAlerts>. The system will prompt you to **Sign In** if you are not already.
2. Please review the basic course details under **Overview**. Select **Content** to begin.
3. Select and complete **Pretest**, then **Launch Module** to progress through the module.
4. If you see a message asking you to "*disable pop-up blocker*", you will need to change your browser's settings to view the modules. This article describes how to turn off your Pop-up Blocker: <https://support.scorm.com/hc/en-us/articles/360026015834-How-to-Enable-Pop-up-Windows>.
5. If you see a message stating, "*Flash will not be supported after December 2020*". Please select **Allow/Continue** to proceed to the content – this will not affect your ability to complete the module at this time.
6. Complete **Test**. Select **Show Results** (upper right) to confirm your score. If you passed, please select "X" in the top right to leave the module – you are finished. No evaluation is necessary.
