

SHC Trauma Informed Care: Adverse Childhood Experiences(ACE) - 2022 Online

Tips for Success

- For best results please use **Google Chrome, Internet Explorer** or **Microsoft Edge**. **Do not use Safari.**
- If you select **Launch Course** and nothing happens, turn off pop-up blockers.
- If you have difficulty with this please call the Technical Assistance Center at 858-627-5000. They are available 24/7.

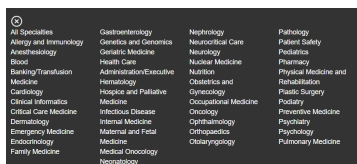

Learning Objectives

1. Recognize the overwhelming prevalence of adverse childhood experiences.
2. Discuss how ACEs translate into healthcare costs, adult emotional distress, biomedical disease, and premature death.
3. Summarize the benefits of routinely gathering ACE related information.
4. Recommend ACE related resources
