

Sharp Rees Stealy

Health Risk Assessment Screening

For SRS Affiliate Physicians

May 1, 2021 – December 31, 2024

Time and Location Varies

Project Lead

Teresa Hardisty, MD
Pediatrician
Sharp Rees Stealy

**Director of Lifestyle Medicine
Chair, Be Well Committee**

Aim Statement:

Quality improvement effort aims to increase by 5% the number of patient interactions where nutrition and physical activity are discussed from baseline as measured by Press Ganey (PG) scores and completion of the Be Well Health Risk Assessment (HRA) for Sharp Reese-Stealy Medical Group by 12/31/2024.

Educational Objectives: Following this pr, participants should be able to:

1. Utilize health risk assessment (HRA) survey in EHR (Be Well Survey)
2. Analyze HRA effectiveness
3. Evaluate HRA as a tool to impact patient care

This Activity is Approved for the following Boards:

- American Board of Internal Medicine
- American Board of Family Medicine
- American Board of Pediatrics
- American Board of Physical Medicine and Rehabilitation
- American Board of Preventive Medicine
- American Board of Psychiatry and Neurology
- National Commission on Certification of Physician Assistants

Participation:

- Make use of Health Risk Screening tool in EHR
- Review raw data of patients surveyed
- Complete MOC Attestation Form found here, <https://forms.office.com/r/2GanVD5nHJ>
